Vertical freezer glass display for optimal visibility

The UPD400-F offers great product presentation with double glazed glass on all four sides, including a heated frameless glass door. The glass display case freezer is an excellent choice for displaying mouthwatering desserts. It has a modern black steel exterior and a stainless steel interior with mirror effect. Vertical LED lighting illuminates the content and the 5 adjustable glass shelves add flexibility. The ventilated cooling system is controlled by a digital temperature display. The cabinet has strong castors for mobility, two of them with brakes. The UPD400 model is also available in a cooler option.
