

CoolCollect® Indoor Amiral C9

Design and Material		Dimensions		Cooling	
Number of Doors	9 Doors, right handed 3 pcs left handed 6 pcs	Outer dimensions mm (WxDxH)	1470 x 802 x 2416	Type of Controller	Electronic
Type of doors	Hinged, with led indicator lights	Inner dimensions mm (WxDxH)	small locker 450 x 605 x 305 big locker with shelf ,2 sections 450 x 605 x 350+340 450 x 605 x 355+427 big locker without shelf 450 x 605 x 700	Type of Cooling	Fan assisted
Doors reversible	No	Size of door opening mm (WxH)	small locker 370 x 305 big locker 370 x 700	Type of Defrost	Automatic
Self-closing doors	Yes + Door remains open while filling	Packing dimensions mm (WxDxH)	1482 x 814 x 2416	Refrigerant	R290a
Door Locks	magnetic (UPS required)	Volume net	1500 l	Refrigerant charge	120 g
Max load on Shelves	20 kg	Locker quantity	9 lockers 3 small 6 big with removable wire shelf	Thermometer	Digital
Feet / Legs	5 adjustable	Locker volume net	3 x 170 l 6 x ~190-203 l	Visible temperature	No, digital temperature display behind front panel
Castors	No	Loading volume	15 cardboard boxes or bags small locker 1 box or bag big locker 2 boxes or bags (box size W300-350 D500 H260)		
Interior light	No				
Handle	Integrated				
Exterior Finish	Grey RAL7015 FT structural painting				
Interior Finish	White RAL9003				
Measures and Content		Power & Consumption			
Temperature range	+4...+8°C	Energy Consumption	4 kWh/24 h		
Climate class	3	Annual Energy Consumption	1460 kWh/year		
Operating conditions	max. +25°C / 60 % RH	Voltage / Frequency	230 V / 50 Hz		
Weight net / gross	319 / 323 kg	Noise Level	- dB		
		Power input	336 W		
		Fuse	16A
