Gross / Net Weight	kg	310 / 250
Gross / Net Volume	l	469

Design and Material

Tempered glass	Yes
Feet / Legs	Adjustable feet
Exterior Finish	Grey RAL7015
Interior Finish	Stainless Steel
Interior Light	LED
Lock	No

Cooling and Functions

Type of Controller	Electronic	
Type of Cooling	Ventilated	
Type of Defrost	Automatic, electric	
Refrigerant	R290	
Refrigerant Charge	g	150
Thermometer	Yes	

Power and Consumption

Energy Class	E	
Energy Consumption	kWh/24h	7.05
Annual Energy Cons.	kWh/year	2573
EEl	%	60
Power Supply		13 Amp
Input Power	W	660
Voltage / Frequency	V/Hz	220-240/50
Noise Level	dB(A)	59

Dimensions

Internal Dimension (WxDxH)	mm	1875 x 825 x 545
External Dimension (WxDxH)	mm	1923 x 1120 x 1190
Packed Dimension (WxDxH)	mm	2100 x 1250 x 1400 mm
40ft Container Load	pcs	9

Digital controller

60x40 cm boxes fit perfectly

The SOCB range of serve over counters is the perfect choice for delis wanting a nice display for their prepared meals, meats, and cheeses. The 825 mm deep deck is made from stainless steel and is illuminated by LED lights in the top of the unit. The counter is open to the back and easily accessible for the staff. The glass front conveniently opens forward for easy cleaning. The display deli counter comes with a storage compartment with wide doors that accommodate standard E2 vegetable boxes.

The SOC range can be multiplexed to create a complete counter solution. Each unit has two 220-240V sockets so you can connect e.g. a cash register. To customize the serve over counter for your needs, it is possible to choose from a wide range of accessories such as: an extra shelf (for e.g. a cash register), a knife block, mobile plexi glass dividers, shelves for creating different levels, red lights for butchers, and a two level holder for GN-pans.

It is also possible to make factory orders for SOC serve over counters for different purposes and temperature ranges. Please contact our sales team for more information.
