

SKB-MU

Machine Cooling Unit, Top

Product Features

- Electronic thermostat
- Ventilated cooling
- Plug-in solution

Plug-in cooling unit (top installment)

This MU machine unit is for installation on top of your SKB cabinet from Serrco. The MU machine unit is an efficient plug-in cooling solution. Simply connect it to a socket and you are ready to go. It is suitable for all sizes of the SKB range. However, for the SKB-8 and SKB-10, we recommend using the SKB-MU 50 R, as this is made for larger capacity

Measures and Content

Temperature Range	°C	+2 to +10
Climate Class		4
Gross / Net Volume	l	/
Gross / Net Weight	kg	34 / 32

Design and Material

Door No & Type	0
