Ventilated 7 scoop ice display with curved glass

Are you in search of a high-quality ice cream scooping freezer that won't take up too much room in your small cafe or shop? Look no further than the Fiji 7. This scoop display is equipped with a ventilated cooling system that's perfect for maintaining the quality and consistency of your frozen ice cream or gelato. With a depth of only 630mm, this freezer is compact and ideal for smaller spaces. Additionally, it features castors for easy mobility, internal LED lighting, and a convenient flip-down rear serving door that ensures optimal hygiene and keeps your gelato or ice cream at the perfect temperature.
