White coated steel inner liner

Illuminated display board as option (accessory)

The NIC-SC range is a compact display chest freezer in an elegant design. It has curved corners, rounded edges and flat sliding glass lids.

It is a very stable and solid build, but at the same time on wheels so that it is easy to change location in the shop.

It comes in many sizes, which makes this model perfect for smaller shops and delis with limited space as well as lager shops, gas stations, supermarkets etc.

All sizes are environmental friendly and can be branded for better presentation of the cabinet content.

It is ideal for display of frozen food including ice cream and lollies. Temperature can be held around -14°C for ice cream or around -21°C for other frozen foods.

All sizes have glass lids with a lock for security. They also have a defrost drain for cleaning out the unit.

If you wish to use the freezer for scoop ice cream, we offer several basket solutions as accessories.

Ideal baskets for scoop ice:

- For 5L plastic tubs: 1x item no. 14707 (4x 5L)
- For 4L plastic tubs: 3x 21286 (6x 4L)
