- Excellent energy efficiency
- Adjustable shelves with tilting function
- Solid 40 mm endwalls with mirrored interior
- LED interior light
- Ventilated cooling
- Ticket strip and acrylic front riser as standard
- Multiplexing kit as accessory

Low-height multideck cooler with doors

The Galaxy+ LOW FGD offers a highly energy efficient cooling system combined with a gorgeous design. It is a spacious cabinet complete with adjustable shelves and internal LED lighting for optimum product presentation. The low height of the units allows for creating island installations without blocking the view of the customer. A multiplexing kit is also available as accessory, so you can create uninterrupted lines throughout your store.

As a result of a carefully designed refrigeration system and optimal airflow through the cooler, this cabinet has an outstanding low energy consumption and an impressive EU energy rating.
