

KBAK104PLUS

Chest Bottle Cooler

Product Features

- Low energy consumption
- Impressive storage space
- Removable top for easy loading
- Ideal for storing beer and soft drink crates
- Strong wheels
- Bumper bars
- Flat sliding solid lids
- Static cooling

Spacious chest cooler with strong wheels

This KBAK chest bottle cooler is extremely spacious, as the compressor compartment is placed below the cooling area rather than build into the side of the unit. This means that you can place several crates of beer or soft drinks directly on the bottom of the unit and stack them. Solid sliding lids provides easy access to the contents.

The KBAK chest cooler offers a perfect cooling solution for busy bars, venues, festivals, and events. The PLUS model comes with large, strong wheels for great mobility as well as bumper bars for higher protection. As an added feature, it is possible to take off the sliding lids and stack the coolers, when they are not running. This is very practical if you only need the coolers running during events and otherwise stored away.

Measures and Content

Insulation Density	kg/m ³	42
Temperature Range	°C	+1 to +8
Net Volume	l	226
Gross Volume	l	250
Gross / Net Volume	l	250 / 226
Gross / Net Weight	kg	70 / 60

Design and Material

Number of lids	2
Castors	Wheels
Interior Light	No
Lock	Factory Option
Exterior Finish	White
Interior Finish	White

Cooling and Functions

Type of Controller	Mechanical	
Type of Cooling	Static	
Type of Defrost	Manual	
Refrigerant	R600a	
Refrigerant Charge	g	34
Thermometer	Yes	

Power and Consumption

Energy Class	B	
Annual Energy Cons.	kWh/year	198
Energy Consumption	kWh/24h	0.54
EEL	%	14
Input Power	W	190
Voltage / Frequency	V/Hz	220-240/50
Noise Level	dB(A)	45

Dimensions

Internal Dimension (WxDxH)	mm	900 x 500 x 555
External Dimension (WxDxH)	mm	1025 x 625 x 1000
Packed Dimension (WxDxH)	mm	660 x 1100 x 1060 mm
40ft Container Load	pcs	72

Strong wheels for mobility

Bumper bars
