

## UF400VGB

### Display Freezer

#### Product Features

- Adjustable feet
- Lock
- Adjustable wire shelves
- Digital controller and temperature display
- Heated glass to help prevent condensation
- Vertical LED interior light with switch
- Fully automatic, ventilated cooling

#### Black glass door display freezer

The UF400VGB display freezer has a sleek black interior and exterior, making it a stylish and affordable choice for showcasing your products. The heated glass door prevents condensation, keeping your frozen items clearly displayed, while interior LED lighting and adjustable wire shelves further enhance the product presentation. Its ventilated cooling system ensures efficient operation, supported by a digital controller and automatic defrost for convenience.
