Black display cooler with GN2/1 shelves

This glass door cooler offers great product visibility. Use it as a display cooler in your store or as a storage fridge providing a great overview in your kitchen. It comes with robust GN2/1 wire shelves that can be adjusted to fit the content. The fridge has fan-assisted cooling, and the temperature is easy to set on a digital thermostat.

The UR range is available in various colors and sizes, and you can choose between solid door- or glass door models. See the UF range for freezer options.
